

Brookings Farmers Market

2023 Sponsorship Levels

The Brookings Farmers Market is a program of Downtown Brookings. We rely on vendor fees and sponsors to fund the market's yearly operating budget. Sponsors are mentioned in advertisements placed online and in the papers. We also welcome inquiries from organizations and individuals interested in volunteering. Throughout the season there are opportunities to help with demonstrations, special events, music, and informational activities. For more information, please mail us at brookingsmarket@gmail.com.
